The new Tiguan Allspace. Lots of room for adventure.

Whatever you plan to do, family holidays, sightseeing trips or days out, the new Tiguan Allspace provides all the space you'll ever need. With its generous passenger compartment and third row seats*, it has room for everyone and everything. The longer wheelbase not only creates more space and more flexibility, it also accentuates its dynamic shape.

The adaptable seating configurations mean the Allspace really lives up to its name, with an astonishing 1775L of storage capacity when arranged as a two-seater. When set up as a 5-seater, storage capacity is 700L, and an impressive 230L when all seats are in use.
